

## EConDA WORKSHOP

**Economics of Chronic Diseases - Dissemination of Project Results**

*Thursday 3 September, from 10:00 to 15:00*

*Radisson Blu Grand Hotel*

*Narodno Sabranie Square, pl. "Narodno sabranie" 4, 1000 Sofia, Bulgaria*

- 10:00-10:30**      **Registration & Welcome Coffee**
- 10:30-10:45**      **Introduction to the project and participation of Bulgaria**  
Dr. Laura Webber, Director, Public Health Modelling, UK Health Forum  
Prof. Guenka Petrova, Deputy Rector, Medical University of Sofia (MU Sofia)
- 10:45-11:35**      **Key findings:**
- **Review of cost effectiveness methods**
  - **Consensus on standardisation of cost effective studies**
  - **Presentation of the disease model**
- Dr. Laura Webber, Director, Public Health Modelling, UK Health Forum
- 11:35-12:00**      **Presentations of the cost effectiveness tools & demonstration**  
Prof. Maarten Postma, University of Groningen, The Netherlands
- 12:00-12:30**      **Questions & Answers**
- 12:30-13:30**      **Lunch & Coffee Break**
- 13:30-14:20**      **Interventions testing by participants with real data**  
Dr. Laura Webber, Director Public Health Modelling, UK Health Forum  
Assist. Prof. Maria Kamusheva, PhD, MU Sofia
- 14:20-14:45**      **Feedback from participants**
- 14:45-15:00**      **Wrap up, Evaluation & Conclusions**  
Prof. Guenka Petrova, Deputy Rector, MU Sofia

*This workshop arises from the project EConDA - Economics of Chronic Diseases which has received funding from the European Union, in the framework of the Health Programme.*

## EConDA WORKSHOP

### Economics of Chronic Diseases - Dissemination of Project Results

*Thursday 10 September, from 10:00 to 15:00*

*NH Hotel, Prinses Margrietplantsoen 100, 2595 BR The Hague*

- 10:00-10:30**     **Registration & Welcome Coffee**
- 10:30-10:35**     **Introduction to the project and participation of The Netherlands**  
Dr. André Knuchel-Takano, Research Associate, UK Health Forum
- 10:35-10:45**     **Current practice in disease modelling in The Netherlands (DYNAMIO-HIA)**  
Dr. Wilma Nusselder, Erasmus University
- 10:45-11:35**     **Key findings:**
- **Review of cost effectiveness methods**
  - **Consensus on standardisation of cost effective studies**
  - **Presentation of the disease model**
- Dr. Lise Retat, Mathematical Modeller, UK Health Forum  
Dr. Martin Brown, Senior Mathematical Modeller, UK Health Forum
- 11:35-12:00**     **Presentations of the cost effectiveness tools & demonstration**  
Dr. Lise Retat, Mathematical Modeller, UK Health Forum  
Dr. Pepijn Vemer, Health Economist, University of Groningen
- 12:00-12:30**     **Questions & Answers**
- 12:30-13:30**     **Lunch & Coffee Break**
- 13:30-14:20**     **Interventions testing by participants with real data**  
Dr. Lise Retat, Mathematical Modeller, UK Health Forum  
Dr. Pepijn Vemer, Health Economist, University of Groningen
- 14:20-14:45**     **Feedback from participants**
- 14:45-15:00**     **Wrap up, Evaluation & Conclusions**  
Dr. Pepijn Vemer, Health Economist, University of Groningen

*This workshop arises from the project EConDA - Economics of Chronic Diseases which has received funding from the European Union, in the framework of the Health Programme.*

## **EConDA WORKSHOP**

### **Economics of Chronic Diseases - Dissemination of Project Results**

*Monday 14 September, 11:15 – 15:00*

National Institute of Health Dr. Ricardo Jorge, IP (INSA)

Av Padre Cruz || 1649-016 Lisbon

- 11:15-11:30**      ***Registration & Welcome Coffee***
- 11:30-11:40**      **Introduction to EConDA and participation of Portugal**  
Dr. Ana Rito, Researcher, INSA  
Dr. Mafalda Bourbon, Researcher, INSA
- 11:40-12:10**      **Review of cost effectiveness methods**  
**Consensus on standardisation of cost effective studies**  
**Presentation of the disease model**  
Dr. Abigail Jaccard, Deputy Director of Public Health Modelling, UK  
Health Forum (UKHF)  
Dr. Pepijn Vemer, Health Economist, University of Groningen
- 12:10-12:30**      **Presentation of the cost effectiveness tools & demonstration**  
Dr. Abigail Jaccard, Deputy Director of Public Health Modelling, UKHF
- 12:30-12:45**      **Questions & Answers**
- 12:45-13:45**      ***Lunch Break***
- 13:45-14:25**      **Interventions testing by participants with real data**  
Dr. Abigail Jaccard, Deputy Director of Public Health Modelling, UKHF  
Dr. Ana Rito, Researcher, INSA  
Dr. Mafalda Bourbon, Researcher, INSA
- 14:25-14:50**      **Feedback from participants**
- 14:50-15:00**      **Wrap up, Evaluation & Conclusions**  
Dr. Ana Rito, Researcher, INSA  
Dr. Mafalda Bourbon, Researcher, INSA

*This workshop arises from the project EConDA - Economics of Chronic Diseases which has received funding from the European Union, in the framework of the Health Programme.*

## EConDA WORKSHOP

### Economics of Chronic Diseases - Dissemination of Project Results

*Wednesday 16 September, from 10:00 to 15:00*

*Faculty of Human Nutrition and Consumer Sciences, Warsaw University of Life Sciences*

*Nowoursynowska 159c (Building 32), 02-776 Warsaw, Poland*

- 10:00-10:30**      **Registration & Welcome Coffee**
- 10:30-10:45**      **Introduction to the project and participation of Poland**  
Dr. Arti Bhimjiyani, Researcher, UK Health Forum  
Dr. Ewa Halicka, Chair of Food and Nutrition Policy, WULS-SGGW
- 10:45-11:35**      **Key findings:**
- **Review of cost effectiveness methods**
  - **Consensus on standardisation of cost effective studies**
  - **Presentation of the disease model**
- Dr. Pepijn Vemer, Health Economist, University of Groningen
- 11:35-12:00**      **Presentations of the cost effectiveness tools & demonstration**  
Dr. Laura Webber, Director, Public Health Modelling, UK Health Forum
- 12:00-12:30**      **Questions & Answers**
- 12:30-13:30**      **Lunch & Coffee Break**
- 13:30-14:20**      **Interventions testing by participants with real data**  
Dr. Laura Webber, Director, Public Health Modelling, UK Health Forum  
Dr. Ewa Halicka, Chair of Food and Nutrition Policy, WULS-SGGW
- 14:20-14:45**      **Feedback from participants**
- 14:45-15:00**      **Wrap up, Evaluation & Conclusions**  
Dr. Ewa Halicka, Chair of Food and Nutrition Policy, WULS-SGGW

*This workshop arises from the project EConDA - Economics of Chronic Diseases which has received funding from the European Union, in the framework of the Health Programme.*

## **EConDA WORKSHOP**

**Economics of Chronic Diseases - Dissemination of Project Results**

*Friday 18 September, from 10:00 to 15:00*

*Europa Royale Kaunas Hotel, Miško g. 11, Kaunas 44321, Lithuania*

- |                    |                                                                                                                                                                                                                                                                                                                                                                       |
